THINGS WE ABOUT **L** LOUISVILLE

Every Freshman has a 'big sister' - a Junior who will help them with any and all things Louisville.

Puppies during finals week!!

In addition to many other school dances, every year right before Prom, Louisville will host MORP (Prom backwards). It is so funny to see everyone come dressed in their crazy outfits.

Sweatpant Season! We get to wear sweatpants and cozy boots to school from November to March.

We love to decorate our friends' lockers for birthdays! Is your birthday during the summer? You will be assigned an 'un-birthday' during the school year so your friends can still celebrate you.

We have an exchange day with our brother school, Crespi. The boys come to our campus or we go to theirs!

We even have our own rock band! 'Los Padres' is a rock band made up of members of the Louisville Dads Club. They perform at every Dads Club BBQ and we are their biggest fans!

THE ARTS

At Louisville, the Performing and Visual Arts Departments push you to your fullest potential by challenging you to move out of your comfort zone.

This way, you'll get to meet and collaborate with other artists who will enhance your creativity!

PERFORM

Whether you like to act on stage or just sing in the shower, we have a place for you! Everyone from the beginner to the professional can share the spotlight with chances to perform in school productions, dance in seasonal concerts, or sing in liturgies. We also have a Showstoppers concert every other year where all are invited to come and perform any talent you choose.

BACKSTAGE

Do you like being part of the action, but don't necessarily love the spotlight? Are you interested in directing or costume/set design? Join the theatre tech team, where you have the opportunity to learn theatre direction and design as well as learn to work lighting, costumes, and sound for all productions!

DANCE

The Dance Concert is a great opportunity to choreograph your own dances and be in as many numbers as you want! Our Concert Dancers cover disciplines from hip hop to pointe, for those girls who already have dance experience and love to perform! For those just starting out, we have other classes at the beginner and intermediate levels!

VISUAL & MEDIA ARTS

Explore your passion by creating works of art through drawing, painting, sculpting, photography, film, and even computer graphics!

Each year, Louisville students display their work not only on campus, but also throughout the city at various art exhibits and competitions. When you are constantly surrounded by nature here on our gorgeous campus, how could you not be inspired?!

WELCOME TO Louisville Spirit Week

SPIRIT WEEK TAKES PLACE OVER ONE WEEK EACH SEMESTER, AND EACH CLASS WILL BATTLE IT OUT FOR THE ULTIMATE BRAGGING RIGHTS:

Spirit Week Champions

Louisville Spirit week is an experience like no other. Going to an all-girl school means wearing the funniest, most extravagant outfits for pep rallies, lots of singing and dancing, and fierce competition!

Every day, students are encouraged to dress in a theme chosen by the ASB. Some of our favorites include:

MET GALA

ANYTHING BUT A BACKPACK

ROLLED OUT OF BED DAY

DRESS AS YOUR FAVORITE ALBUM COVER

In addition to our fabulous costumes, we participate in activities throughout the week such as a donation drive and pep rallies, all leading up to our Fall Ball!

LEADERSHIP AT LOUISVILLE

At Louisville, we know that student leadership takes many different forms. To share just two of their favorite opportunities, our students offered their perspectives.

ASSOCIATED STUDENT BODY

What does ASB do?

ASB works with Mr. Wilson, Assistant Principal for Student Life, to plan and execute all school events. They have meetings every week and have gotten to create new events that Louisville has never had before. Past ASB councils have added Louisville Homecoming (nicknamed Fall Ball), a Spring Spirit Week, and a Louisville Flea Market to our yearly calendar!

Why did you want to run for ASB?

I wanted to be a part of ASB because I wanted to make an impact on the Louisville community. I also really enjoy being a leader and giving back.

LOUISVILLE AMBASSADORS

A little more about Ambassadors... What do they do?

From Charlotte Foti '24:

Ambassadors range from Sophomores to Seniors. This allows the Freshmen to adjust to their new high school life and get used to Louisville before sharing all that it has to offer. Ambassadors is another way that you can spread your wings at Louisville.

Ambassadors show you around the school when you attend different events such as 8th Grade Visit Day, Open House, and Louisville Life. Ambassadors give their view of Louisville from a student's perspective and absolutely love the work that they do.

MR. BOYD

WHAT'S IT LIKE TO GO TO AN All-Girl SCHOOL?

At Louisville, you meet other girls who eventually become friends for life - you really do grow up together!

It may feel a bit weird at first, but then you realize that you get to spend your high school experience surrounded by like-minded girls!

You learn how to be the boldest, most authentic version of yourself. There is a place for everyone here - whether you are an athlete, a leader, or an artist, it is all about YOU when you are at Louisville.

Never being overshadowed by boys' sports or feeling intimidated to join a typically male-dominated field, because everything here is for you!

Going to an all-girl school doesn't mean you will never be around boys! Our brother school, crespì, offers lots of opportunities to meet and hang out with boys, but when you are here on campus it is all about you!

PUT THE YOU IN UNIFORM

A few times a month for special school events we wear our "dress uniform." Complete with the cutest blazers and penny loafers, this truly is a Louisville staple! Some of the girls even bring their penny loafers with them to college after they graduate!

These sweatpants are a uniform essential. Paired with cozy boots, Louisville's sweatpant season is a time that we all look forward to.

Scarves, scrunchies, jewelry, & nail polish are all allowed and are only a few of the ways you can show off your personality at Louisville!

So many options! The day to day uniform here includes many opportunities to mix and match pieces. Polo shirts come in four different colors and can be paired with shorts, pants, gray or blue skirts. We also offer a variety of sweatshirts and sweaters to choose from.

ADVICE FROM OUR SENIORS AS YOU BEGIN YOUR HIGH SCHOOL JOURNEY

-By Alex Grenn '23

"Don't try and pretend to be someone you're not in order to seem cool. Do the things you love and you'll end up making closer relationships because of it."

-Charlie Deitchman '23

"Branch out of your friend groups! There are so many more people to get to know better that may end up being your best friends."

-Silan Aycaguer-Ron '23

"Find a club, sport, or hobby and really stick to it! Try some new things, definitely, but building a strong foundation and then improving upon it will be really helpful for your later years in high school."

-Cynea Casidsid '23

"Don't worry too much about the future, remember to live in the moment and to enjoy high school while you can." -CeCe Cellura '23
